Guy's Getaway

Father's Day is just around the corner and Metropolis Resort has decided to combine a guy's getaway with golf. We've partnered with Hickory Hills, just down highway 93 from the resort, to offer this one-of-a-kind package. It's the perfect way to hang with the guys and improve your swing while also enjoying a few adult beverages on the course (that means beer!). Better hurry to [book today!](#) Ladies this would be a great Father's Day gift!

We're making parties easier without a lot of planning! You can now book your birthday party on our Website. The address is www.metropolisresort.com or click the image box above. You choose the day, time and package and we'll follow up with a confirmation call.

Hahn's General Store

Hahn's General Store is now open in the resort lobby. It's a mini version of Hahn's Meats grocery on Eau Claire's north side. Serving fresh deli sandwiches, cases of soda and beer, and locally made merchandise such as wine and jewelry, this experience goes well beyond a typical gift shop.

Action City Debuts Ticketless Arcade

No more carrying armloads of tickets around the building or standing in line at ticket eaters; Action City is now ticketless! It's one more way you're helping us go green and save energy. Now, when you play games, ticket will automatically be put on your Fun License. On the token games you just have to swipe your card and the tickets will be added. Super simple.
